

## Elected representatives May 2018

Representing the voluntary and community sector at a local level is a key part of our work. We ensure that our members' voices and expertise are heard at a range of partnerships, boards, and informal meetings with key people across the local area. Our members elect representatives from within our membership every two years to undertake this work and we co-opt additional reps as necessary. The last election for representatives in Brighton and Hove took place in November 2016.
