

Example diversity statement

Pass it on: a good practice guide for volunteer centres (2007)

Our organisation is firmly committed to diversity in all areas of our work. We believe that we have much to learn and profit from diverse cultures and perspectives, and that diversity will make our organisation more effective in meeting the needs of our stakeholders.

We are committed to developing and maintaining an organisation in which differing ideas, abilities, backgrounds and needs are fostered and valued, and where those with diverse backgrounds and experiences are able to participate and contribute. We will regularly monitor our progress towards diversity.
