

Reasons for Partnership Working

- Increase Reach
- Fundraising opportunities
- Growth
- Policy and campaigning
- Joining forces to win a contract to deliver public services
- Sharing knowledge, skills and information
- Better coordinate different types of provision
- Ensure there is a wider range of skills, resources and solutions available
- Sharing office space or equipment to save money
- Ensure better accountability for funders
- Improving the quality of service you can offer - for example, you could provide joint training events for your staff
- Being able to help more beneficiaries - for example, joint fundraising ventures may attract more people
